## **\$126(30min), \$187(45min), and \$252(1hr) per month tuition...**

- This is for students who are willing to do one semester class.
  - We recommend per lesson payment for young or beginner students.
- Students will have total of 18 classes for each semester.
  - It doesn't count Thanksgiving holidays, winter break, spring break, or other holidays.
- One semester is 5 month.
  - Fall semester: September – January
  - Spring semester: February – June(first week or second week of June)

\$1260/5 month = \$252

- **Students will get 18 classes at the end of the semester no matter how many lessons they have per month.**
- **Students should have done 36 classes after both semesters.**
- **Summer class starts (Usually middle of June- end of August) after the spring semester.**
- **There will not be any more credit policy available.**
